

MEMORANDUM OF AGREEMENT BETWEEN THE CITY OF CONCORD,
NEW HAMPSHIRE, A MUNICIPAL CORPORATION, AND
NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY, A
CORPORATION DULY ORGANIZED ACCORDING TO LAW.

WHEREAS it has been customary for the telephone Company
in applying for locations for poles and wires in the streets
of Concord, New Hampshire to agree to reserve certain space for
municipal uses and

WHEREAS in petitions for certain locations such agree-
ment was omitted and the telephone Company is willing to fur-
nish such space in the same manner as though such stipulations
had been included in said petition.

NOW THEREFORE in consideration of the premises and of
the release by the City of Concord of any rights it may have
to attach its fire alarm wires and other wires maintained by
the City to the poles of said company other or different from
those hereinafter specified it is mutually agreed as follows:-

Said New England Telephone and Telegraph Company
agrees to reserve space for one crossarm at a suitable point
on each pole heretofore erected and now maintained for the
city, police, telephone and telegraph signal wires and cables
belonging to said City of Concord, New Hampshire and used by
it exclusively for municipal purposes, said space to be above
the wires and cables of the said Company. In the case of
poles maintained jointly by the said Company and the Concord
Electric Company, it is agreed, provided the Electric Company
consents, that the said City wires and cables may be attached
to such poles above the telephone Company wires and below the
Electric Company wires.

Dated at Concord, New Hampshire this eighteenth
day of October 1926.
